If the entry in column 1 is less than the entry in column 2, enter "0" in column 3.
If the "Highest Number Previously Paid For" is less than the "Present Extra", enter "0" in column 3.
If the "Highest Number Previously Paid For" and the "Present Extra" are both zero, enter "0" in column 3.
The "Highest Number Previously Paid For" is based on the highest number of claims previously paid for by the applicant in the same class of invention.
The "Present Extra" is based on the number of claims in the amendment that are not covered by the claims previously paid for by the applicant in the same class of invention.
This section of the form is required by 37 CFR 1.16. The information required is used to determine the fee to be paid for the amendment.
The fee to be paid for the amendment is based on the number of claims in the amendment that are not covered by the claims previously paid for by the applicant in the same class of invention.
The fee to be paid for the amendment is based on the number of claims in the amendment that are not covered by the claims previously paid for by the applicant in the same class of invention.
